ISEC

Why Exhibit at ISEC Turkey?

•Take part in the HLS exhibition that takes place in Turkey, the hub of security for the Middle East, Europe, the CIS, and Africa.

•Faced with the aftershocks of the Arab Spring, terrorism, and unregistered migration, Turkey and the surrounding countries are the biggest buyers.

•The domestic market in Turkey is colossal, and from municipalities to top government offices, there is a huge demand.

•Take part in the exhibition supported by the Ministry of Interior.

•Get in touch with the significant public and private sector buyers who will be exclusively invited to join the exhibition with the cooperation of the General Directorate of Security.

•Communicate with the senior authorities in public and private sector coming from the Turkic Republics, the Middle East, and the Balkan Countries.

•From kravmaga lessons to scan demonstrations, participate in many events organized during the exhibition.

•Increase your brand awareness in Turkey and neighboring countries, efficiently promote your brand.

•See the latest technology products, current developments, and the demand in the industry.
